Italian Joke

Five Germans in an Audi Quattro arrive at the Italian border. The Italian Customs Officer stops them and tells them "It's illegal to putta 5 people in a Quattro." "Vot do you mean it's illegal?" asks the German driver. "Quattro meansa four" replies the Italian official. "Quattro is just ze name of ze automobile" the Germans says unbelievably. "Look at ze dam papers: ze car is designed to karry 5 persons." "You canta pulla thata one on me-aa!" replies the Italian customs officer. "Quattro meansa four. You have five-a people ina your car and thereforea youarra breaking da law." The German driver replies angrily, "You idiot! Call your supervisor over. I vant to speak to someone viz more intelligence!" "Sorry" responds the Italian officer, "He can'ta come. He's a busy with a 2 guys in a Fiat Uno."

Dust BEWARE OF THAT UNDERWEAR DUST!!!!!! One evening a husband, thinking he was being funny, said to his wife, 'Perhaps we should start washing your clothes in 'Slim Fast'. Maybe it would take a few inches off of your butt!' His wife was not amused, and decided that she simply couldn't let such a comment go unrewarded. The next morning the husband took a pair of underwear out of his drawer. 'What the heck is this?' he said to himself as a little 'dust' cloud appeared when he shook them out. He hollered into the bathroom, 'Why did you put talcum powder in my underwear?' She replied with a snicker, 'It's not talcum powder, it's 'MiracleGrow!!!' Some guys just never learn, do not piss off a woman.

This was this guy's first boat and he was taking it to the lake, but he wasn't quite sure of the correct procedure for launching a boat off a ramp. However, he figured it couldn't be that difficult to do, so he stopped by his Union office for advice, and they just told him... "Don't let the trailer get too deep in the water when you're launching your boat".

Well later on, he couldn't understand what they meant by "just barely get your trailer in the water!"

Here's a picture worth a "thousand" words! You're gonna love this guy!!!

Some people shouldn't be allowed to get married, have children or vote!

KIDZ CORNER

Hey everyone, this is Pavlina, from Pavlina's kidz place! It's been really cold in Florida but that hasn't stopped me from talking to some great people. You can check out some of my interviews on you tube under pavlinamusic. When it was the coldest day ever (and we even had snow flurries!) , I went to the Hot Air Balloon festival in our area called the Seaside Balloon Festival. I was there early (6:30am) because that's when the balloons go up but it was so cold, the huge festival was cancelled. I interviewed award winning pilot, David Fuller and he gave me some great information about hot air balloons! I also met New Smyrna Beach Mayor Barringer and he's going to be on my radio show next month! He Rescued a lady who drove her car into the Halifax river. Mayor Barringer dived into the icy waters and rescued her so we'll be talking about everyday heroes! Then I spent the rest of the day at a University of Florida beekeeping class. I interviewed beekeepers and University of Florida technicians after the six hour class. The only bad thing was they couldn't bring the bees because it was so cold, it would scare the bees. A couple of days later, I was in the radio station doing a pre-recorded interview with Linda Cole. She's a super singer and she's also the cousin of Nat King Cole and Natalie Cole. Linda's been singing her whole life & her son travels with and was just nominated

for an emmy award for their music. I went to Biloxi, Mississippi in the middle of the month to work for Pulse on Tour and did an on location interview with emmy award winning Choreographer, Mia Michaels. It was a great experience in Biloxi, but Biloxi is still really in bad shape from Hurricane Katrina. It's been 4 years since Katrina and you can still see a lot of damage and the people talk about it all the time.

Races are starting in Daytona and I'll be talking to some of the drivers. In the next couple weeks so that'll be cool. Do you have a favorite Nascar Driver? Let me know! Also in a few weeks, I'll be interviewing Pulitzer winning columnist, Linda Goodman so I'll let you know next month how that's going! Got any kid news? I'd love to hear from you! Or any activity your doing to help others? Kids can do a lot of stuff and even if you think it's something little, it might mean a lot to someone else. You can send your letters c/o An Nour and I'll read them on my radio show!

Pavlina has a radio show called Pavlina's Kidz Place. It airs Saturday mornings at 11:30am-12pm on WAPN 91.5fm or you can go to www.pavlina.biz and listen to the u-stream. It's also on www.live365.com everyday 4-4:30pm

First, i was dying to finish my high school and start college
And then i was dying to finish college and start working
Then i was dying to marry and have children
And then i was dying for my children to grow old enough
so i could go back to work
But then i was dying to retire
And now i am dying...
And suddenly i realized
i forgot to live

Please don't let this happen to you
Appreciate your current situation
and enjoy each day

....old friend

To make money we lose our health,
and then to restore our health we lose our money...
We live as if we are never going to die,
and we die as if we never lived...
